## Penang

March 1922

Letter from Bukit Mertajam, Penang, Straits Settlements to San Francisco, USA. Postage correctly paid by a copy of the 12 cents of 1922 on the reverse postmarked on 22 MR 1922. The same mark is also on the obverse. There are transit marks of Penang on 22 MR 1922 and Singapore on 27 MR 1922.

On the obverse there are copies of the 1 cent of 1919, the 3 cents of 1918 and the 5 cents of 1922 together with a marginal block of the 5 cents of 1906 of the Federated Malay States totalling 29 cents. These stamps have been outlined in blue lines as per UPU regulations to denote that they were invalid.

It seems that the stamps were put on purely to obtain postmarks and are therefore philatelic.

### Malacca

July/August 1922

Underpaid(?) PPC (*Harbour?*) from Malacca, Straits Settlements to Antwerp, Belgium postmarked on the picture side 28 July 1922 on copies of the 3 cents of 1917 and the 1 cent of 1922. The rate was 6 cents but, as there was no message on the address side, only the name and address of the sender, it seems that the item was subject to the much cheaper printed matter rate. On the address side is a "T" (Taxe) mark in a circle together with two impressions of a boxed mark "**Foreign administration/ T. 30 centimes.**". All three marks are unknown in Malacca or in the Straits Settlements and have been crossed out in *blue* manuscript and an endorsement of "*Printed Matter*" inserted. It is possible that the marks (and the manuscript endorsement?) were applied en route or in Belgium.
